

Buying a car?

Make Sure You See This Logo

The IIADA logo is a symbol of honesty, trust, and fairness and is proudly displayed by all members of the Indiana Independent Automobile Dealers Association. Dealership's belonging to the Indiana Independent Automobile Dealers Association are independently owned and operated and subscribe to the ethical standards of the "Dealer Code of Ethics."

Dealer Code of Ethics

1. We shall encourage the American System of Free Enterprise.
2. We shall comply with all local, state and federal laws governing the sale of motor vehicles.
3. We shall endeavor to employ truth and accuracy in advertising and selling.
4. We shall not intentionally injure the business reputation of another business member.
5. We shall guarantee title to every car sold through our establishment.
6. We shall stand behind any guarantee issued with the sale of a motor vehicle.
7. We shall not perform any act which would bring disrepute to the Independent Automobile Industry.
8. We shall expose or halt, where found, any scheme designed to deceive or defraud the automobile buying public and aid in prosecuting those guilty of such acts.
